Prepared to be impressed by this Grand Avenue center-hall colonial beauty. Rich architectural detail, lovely finishes and generous room sizes are just the beginning. This special home is nestled on a large, lush property. The sun room seems to spill onto the over-sized deck and overlooks a lovely "secret garden". Beyond the garden is a sparkling, heated pool with patio and room for entertaining. All the amenities you would expect are here to: Sunny entry foyer, an inviting fireplace to stay cozy in the coming winter months, a beautiful office, four large bedrooms, including a master suite with cathedral ceiling, a whole house generator, first floor laundry, lots of storage (including a wine cellar) and an attic above the two-car garage.
